

# GRAFTED

WILLAMETTE VALLEY - OREGON  
PINOT GRIGIO

— 2018 —

#### BACKGROUND:

Spring is a time and re-birth. The perfect time to graft one grape variety to another in the vineyard is in the Spring. Just as people need renewal of spirit, so too a vine can be renewed to bear good fruit. Renew your spirit with a glass of Grafted Pinot Grigio tonight!

#### WINE MAKING DETAILS:

Grapes hand harvested at about 22.5 Brix. Gently pressed and fermented at cool temperatures. This allows for a wine of smooth character, with layered and integrated flavors. We age our Pinot Grigio on fermentation lees (for a rich yet bright body) and use no malolactic fermentation on this wine.

#### TASTING NOTES:

Aromas of white peach and honeysuckle are mirrored further in the glass. The palate is clean and bright with defined Asian pear and acacia flowers. The finish has just a touch of acid while the flavors and aromas linger for an extended period.

#### PAIRINGS:

Ideal with chili laden foods, Asian cuisines, carnitas, and summer melons.

Vintage: 2018  
Grapes: Pinot Grigio  
Appellation: Willamette Valley - Oregon  
Vintner: Bill Legion  
Alcohol: 13.2%  
UPC: 850015682049
