

GRAFTED

OREGON
ROSE'

— 2018 —

BACKGROUND:

Spring is a time of re-birth. The perfect time to graft one grape variety to another in the vineyard is in the Spring. Just as people need renewal of spirit, so too a vine can be renewed to bear good fruit. Renew your spirit with a glass of Grafted Rose' tonight!

WINE MAKING DETAILS:

With Its cool, mild climate, the Willamette Valley of northern Oregon produces Pinot Noir with a fruity, elegant style and compels yet subtle flavors. Most of the grapes are whole-cluster pressed for the Rose' providing acidity and elegance. The remainder come from the saignee Pinot Noir tank providing additional fruit and some structure. The wine is fermented at cool temperatures and aged on fine lees before blending and bottling.

TASTING NOTES:

Young raspberries and a hint of ocean air perfume from the glass. More raspberry in the glass is met with textured orange oils, a variety of stone fruits, muted rose petals, and clean minerality. The quenching acid in the finish will keep you coming back to the glass again and again.

PAIRINGS:

Lovely with Chinese-styled fried rice and bok choy, pan seared rainbow trout almandine, brunch, and crisp days outdoors.
