

# SIP ROSÉ

**BRAND:** SIP ROSÉ

**VINTAGE:** 2018

**APPELLATION :** California

**VARIETALS :** 100% Pinot Noir

**ALCOHOL:** 11.5%

**RS:** Dry

## **WINEMAKING:**

The grapes for our SIP Rosé were harvested between 19° to 21° brix. The Pinot Noir was handpicked from select vineyards all within the coastal regions of Napa and Sonoma. Once picked, the fruit was whole cluster pressed and fermented at 52° in stainless steel fermenters.

## **TASTING NOTES:**

Pale pink in color, our 2018 SIP Rosé is crafted in the French style and is dry and very food friendly. The wine has vibrant aromas of strawberry, violets and candy apple, while the palate offers up crisp acidity and flavors of red plum, jammy raspberry and sweet spice. This wine pairs well with everything!

Enjoy!
