

***"Like words, wine can convey many meanings, inspire endless stories and trigger unique opinions. But our message is simple . . . Enjoy this wine for what it is, an authentic expression of the land that grew it and the hands that have touched it."***  
**- Rob & Kat**

True to the heart and style of Napa Valley Cabernet Sauvignon, this wine is rich and lush, with loads of delicious, dark fruit and a touch of French Oak spice. The texture is smooth, round and feels fresh. This wine is a joy to drink while young, juicy and vibrant but will also develop lovely complex characters over the next decade in the bottle. Our vineyards span the celebrated regions of Napa Valley. Cabernet Sauvignon is clearly the lead player in this wine and is ably supported with a dash of Merlot, Cabernet Franc, Malbec and Petit Verdot.

The vineyards contributing to this wine were all harvested during October 2018 after a delightful summer with generous sunshine and cool, maritime influenced nights. These ideal ripening conditions produced grapes with intense flavor and great complexity.
